### Bob Brown Puppet Show Featured at E.C. Lawrence

Start your weekend with a delightful puppet show at E.C. Lawrence Park on Saturday, July 21, 2007 at 10 a.m. Arts in the Parks, a free children's entertainment series held throughout the summer, will feature Bob Brown Puppets' "World on a String".

Recognized as one of the nation's leading professional children's theatre productions, Bob Brown uses creative puppets to offer children's education and entertainment. Along with spectacular sets and lively puppeteers, Bob Brown's shining stars brighten children's faces throughout the country.

The concept behind Bob Brown's recognized puppet cast is a good lesson in recycling. The puppets are created from materials found at thrift stores. These "orphans" now are the puppeteer's Second Hand Stars.

E.C. Lawrence Park is located at 5040 Walney Road in Chantilly. For more information, please call 703-631-0013.

Arts in the Parks is made possible through the Fairfax County Park Foundation in partnership with Fairfax County Park Authority. Programs are held outdoors and are cancelled in case of inclement weather. Cancellations notices are available by calling 703-324-SHOW two hours prior to the start of the program.
